Summary

I'm a passionate Full-Stack Developer who loves turning ideas into real, functional web apps. I work mainly with React, Next.js, Node.js, Express, and MongoDB, building clean UIs and solid backends. I care about good design, smooth performance, and writing code that actually solves problems. Always learning new stuff and pushing to make every project better than the last.

EDUCATION

- 2021 - 2025
Daffodil Technical Institute
 - Diploma in Computer Science
- 2018 - 2020
Sristy Central School & Collage
 - SSC in Science

Work Experience

Personal Project
